RICHMOND FOOTBALL CLUB.

Your Committee have the pleasure to submit to you the fifth annual report and balance-sheet of the Club, and, although not so successful in the field as in the past season, must compliment you on the satisfactory condition of the Club in other respects.

The financial position of the Club, you will notice by reference to the balance-sheet, is most encouraging, our receipts for the season being £323 14s 9d., and our expenditure £297 13s. 1d., thus leaving us with a credit balance of £26 1s. 8d.
